CHAIRMAN'S MESSAGE

Dear Members,

In line with global trends the Indian real estate market is continually evolving, and it is our responsibility to adapt and thrive within this dynamic landscape. To ensure success, we need to be committed to providing customer-centric solutions and embracing green spaces.

Our vision for the future centers around meeting our customers' desires. It's not just about constructing buildings; it's about crafting homes and communities that align with our customers' unique preferences and aspirations. This involves engaging with customers, understanding their likes, and going beyond their expectations. By making customers our focal point, we aim to build trust, foster strong relationships, and establish communities where everyone feels a sense of belonging.

Alongside focusing on what customers want, we should also stress the importance of being eco-friendly. Eco-friendly practices have become essential, not just trends. This means including green areas, using environmentally friendly technologies, and renewable energy in the projects. The goal is to create modern, comfortable living spaces that exist in harmony with nature. Green spaces not only make life better for our customers but also help make the planet cleaner and healthier for future generations.

Lastly, it's essential to stay on top of environmental rules that keep changing. Following these rules isn't just a legal obligation; it's a commitment. We need to be aware of any new local policies to avoid legal issues and make sure our projects meet the latest environmental standards.

In line with our president's vision of promoting green building certification & working towards at zero goal for the real estate sector by 2047. I urge all of you to keep sustainability the focal point of all your projects.

Happy Diwali & Seasons Greetings

Warm regards,

Manoj Gaur

PRESIDENT'S MESSAGE

Dear Members,

I extend my heartfelt congratulations to every one of you for the resounding success of the 21st CREDAI NATCON. With the participation of over 1300 members and representatives of industries, this event truly exemplified the spirit of unity and progress within our industry.

The NATCON hosted enlightening discussions revolved around cutting-edge topics, including newer technologies, AI integration, and sustainable development. It served as a dynamic platform for sharing ideas, fostering innovation, and envisioning the future of the real estate industry. I encourage all our members to make the most of the valuable insights garnered during that event.

As the festive season approaches, it's important to recognize its significance for the Indian real estate sector. This time is marked by heightened activity and enthusiasm, as many Indian buyers consider it an auspicious period for property transactions, renovations, and purchases. Indian buyers tend to prioritize not only the physical aspects of a property but also its emotional and cultural relevance during the festive season.

Let's harness the inspiration gained from our successful 21st CREDAI NATCON to make the most of this season by working together, staying innovative, and aligning our offerings with the evolving preferences of the Indian buyers. This is a unique opportunity to contribute to the growth and prosperity of our industry during this significant period.

Happy Diwali & Seasons Greetings

Warm regards,

Boman Irani

CREDAI - IIM BANGALORE BUSINESS LEADERSHIP PROGRAM

Inaugural session of CREDAI IIMB

Candidates attending the Inaugural session

India's real estate sector is undergoing a crucial transformation, driven by factors like RERA, corporate involvement, and technology. CREDAI's collaboration with IIM Bangalore for the Business Leadership Programme recognizes the need for leaders to adapt to this changing landscape. In its 9th cohort for 2023-24, the program equips real estate leaders with essential tools to navigate the evolving industry, fostering continuous learning, strategic decision-making, and self-awareness.

The objectives of BLP are to help participants achieve personal and professional transformation towards visionary leadership in their organizations. Through a dynamic curriculum and interactive sessions, the program fosters strategic thinking, effective decision-making, and a deep understanding of the evolving real estate landscape.

On October 16th, the 9th batch of the CREDAI-IIM Bangalore Business Leadership Program commenced. With 26 participants, the session was graced by Mr. Balakrishna Hedge and Mr. Shankar Shastry. Additionally, President Mr. Boman Irani addressed the participants virtually.
